Notes to the Condensed Interim Consolidated Financial Statements

For the three and six months ended October 31, 2021 and 2020

(Unaudited - Expressed in Canadian dollars)

1. Nature of operations and liquidity risk

The principal business activities of Global Battery Metals Ltd. (the "Company") include the acquisition and exploration of mineral properties. The Company's corporate head office is located at 1430-800 W Pender Street, Vancouver, British Columbia, Canada. The Company's common shares are listed on the TSX Venture Exchange under the symbol GBML and the OTCQB under the symbol REZZF and the Frankfurt Stock Exchange under the symbol "3F2.F".

These condensed interim consolidated financial statements have been prepared in accordance with International Financial Reporting Standards and on a going concern basis, which assumes that the Company will be able to meet its obligations and continue its operations for at least the next twelve months.

At October 31, 2021, the Company had a working capital of \$1,964,383 (April 30, 2021 – working capital of \$2,641,374), which the Company believes is sufficient to meet its obligations and continue its operations for at least the next twelve months.

Beyond the next 12 months, the Company's ability to continue as a going concern will be dependent upon its ability to obtain the necessary financing to meet its general operating expenses and to continue to explore its mineral properties. Although the Company has been successful in the past in obtaining financing, there is no assurance that it will be able to obtain adequate financing in the future or that such financing will be on terms advantageous to the Company.

2. Basis of presentation

These condensed interim consolidated financial statements for the three and six months ended October 31, 2021 have been prepared in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board ("IFRS") applicable to the preparation of interim financial statements, including IAS 34, Interim Financial Reporting. They do not include all disclosures that would otherwise be required in a complete set of financial statements and should be read in conjunction with the Company's April 30, 2021 annual consolidated financial statements The Company uses the same accounting policies and methods of computation as in the annual consolidated financial statements for the year ended April 30, 2021.

These condensed interim consolidated financial statements were approved by the board of directors and authorized for issue on December 15, 2021.

The condensed interim consolidated financial statements include the results of the Company. The functional currency of the parent company, Global Battery Metals Ltd., is the Canadian dollar, the functional currency of the Company's subsidiary Minas Dixon S.A is the Peruvian Nuevo Sol and the functional currency of the Company's subsidiary Compania Minera Oyamel, S.A de C.V is the US Dollar. The presentation currency of the Company is the Canadian dollar. The statement of financial position of each subsidiary is translated into Canadian dollars using the exchange rate at the statement of financial position date and the statement of operations is translated into Canadian dollars using the average exchange rate for the period. All gains and losses on translation from the functional currency to the presentation currency are charged to other comprehensive income. During the six months ended October 31, 2021, the Company recorded a loss of \$191,010 (2020 – \$596,984) through other comprehensive income related to the translation of its foreign subsidiaries.

Lara Property

On February 4, 2013, the Company completed the requirements of the Lara option agreement with Lara Exploration Ltd. ("Lara Exploration") and acquired 55% of Minas Dixon, the registered owner of the Lara property in southern Peru. Under the option agreement, a Joint Venture agreement was entered into with the 45% owner, Lara Exploration. The Lara property is subject to a payment of \$500,000 to a past owner at the start of commercial production.

On July 28, 2020, the Company entered into an Option Agreement ("Option Agreement"), together with Lara Exploration through Minas Dixon, for the sale of the Lara Property to Minsur S.A and a 1.5% NSR royalty. Under the terms of the Option Agreement the Company and Lara Exploration have granted Minsur S.A an exclusive option to acquire a 100% interest in the Lara Property by making staged cash payments of US\$5,759,000, to Minas Dixon based on the satisfaction of the below milestones.

North West Leinster Lithium Property

On April 21, 2020, the Company entered into an amended Letter of Intent (the "LOI") with LRH Resources Ltd (LRHR), an arm's length private company. The LOI re-defines the option agreement as previously announced on October 28, 2018, in which the Company has the option to acquire up to 90% of the North West Leinster Lithium Property in the Republic of Ireland.

The Company now has the right to exercise the following options:

- By spending €85,000 on exploration expenditures and up to €6,500 in license charges, fees and rents to keep the property in good standing by October 12th, 2022 an initial 17.5% interest can be acquired by providing notice to LRHR ("1st Option Notice"). To date €160,500 (CAD \$270,797) of exploration expenditures have been incurred. The Company has not given the 1st Option Notice.
- The Company can exercise the second option by spending €500,000 on expenditures within two years following receipt by LRHR of the 1st Option Notice and paying LRHR €50,000 in either cash or a combination of cash and common shares of the Company, at the option of the Company, of which at least €5,000 is payable in cash. Upon the above, a further 37.5% interest can be acquired by providing notice to LRHR ("2nd Option Notice").
- The Company can exercise the third option upon spending a further €1,000,000 on expenditures within two years following receipt by LRHR of the 2nd Option Notice and paying LRHR €200,000 in either cash or a combination of cash and commons shares of the Company, at the option of the Company, of which at least €20,000 is payable in cash. Upon this, an additional 35% interest will be acquired by the Company.

Pursuant to the original agreement with LRHR the Company made a cash payment of €10,000 (Paid – CAD \$15,438) and incurred €106,654 (CAD - \$165,828) of exploration expenses. This completed the due diligence required to enter into the LOI above.

Lithium King Property

On April 5, 2021 the Company acquired through staking the Lithium King Property. It is located on the west side of the Great Salt Lake Basin in western Utah, adjacent to the community of Wendover, Utah.

10. Financial Instruments

The Company's financial instruments consist of cash and accounts payable and accrued liabilities. The Company classifies its cash and accounts payable and accrued liabilities as amortized cost. The fair value of these instruments approximates their carrying amounts due to their short-term to maturity.

There have been no changes to the Company's financial instruments and risk exposures. The Company's risks exposures and the impact on the Company's financial instruments are discussed in the consolidated financial statements for the year ended April 30, 2021.

11. Contingencies

The Company has approved a compensation package to the Chief Executive Officer. On the completion of a corporate acquisition or merger, bonuses of up to 500,000 stock options, restricted share units equal to 1% of the value of the transaction and cash in the amount equal to 0.25% of the value of the transaction would become payable. As at April 30, 2021 no corporate acquisition or merger has been entered into and therefore no accrual for the compensation package has been recorded.
