#### NOTICE-AND-ACCESS

The Company is not relying on the “Notice and Access” delivery procedures outlined in National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) to distribute copies of proxy-related materials in connection with the Meeting. ### SECTION 2 – PROXIES AND VOTING RIGHTS

---

#### MANAGEMENT SOLICITATION

The solicitation of proxies by the management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals' authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out-of-pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the

information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

#### **APPOINTMENT OF PROXY**

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder's behalf in accordance with the instructions given by the Shareholder in the proxy. The persons whose names are printed on the enclosed form of proxy are officers and/or directors of the Company (the "**Management Proxyholders**").

**A Shareholder has the right to appoint a person or company to attend and act for or on behalf of that Shareholder at the Meeting, other than the Management Proxyholders named in the enclosed form of proxy. A proxyholder need not be a Shareholder.**

**To exercise the right, the Shareholder may do so by striking out the printed names and inserting the name of such other person and, if desired, an alternate to such person, in the blank space provided in the form of proxy. Such Shareholder should notify the nominee of the appointment, obtain the nominee's consent to act as proxy and should provide instruction to the nominee on how the Shareholder's Shares should be voted. The nominee should bring personal identification to the Meeting.**

Those Shareholders desiring to be represented at the Meeting by proxy must deposit their respective forms of proxy with the Company's registrar and transfer agent, Computershare Investor Services Inc., 8<sup>th</sup> Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, by mail, facsimile transmission, telephone voting system or via the Internet at least two business days (excluding Saturdays, Sundays and holidays) prior to the scheduled time of the Meeting, or any adjournment thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarized certified copy thereof, must accompany the form of proxy.

#### **VOTING BY PROXY AND EXERCISE OF DISCRETION BY MANAGEMENT PROXYHOLDERS**

**Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting.** Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

**If a Shareholder does not specify a choice and the Shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.**

**The form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. As of the date of this Circular,**

management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

## **NON-REGISTERED HOLDERS**

**Only Shareholders whose names appear on the records of the Company as the registered holders of Shares or duly appointed proxyholders are permitted to vote at the Meeting.** Most Shareholders of the Company are “non-registered” Shareholders because the Shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased Shares; bank, trust company, trustee or administrator of self-administered RRSPs, RRIFs, RESPs and similar plans; or clearing agency such as the Canadian Depository for Securities Limited (a “**Nominee**”). If you purchased your Shares through a broker or otherwise deposited your Shares with your broker, you are likely a non-registered holder.

In accordance with relevant securities laws and regulations, the Company has distributed copies of the form of proxy to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order to ensure that your Shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the proxy form as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as “non-objecting beneficial owners” (“**NOBOs**”). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as “objecting beneficial owners” (“**OBOs**”). Hereinafter, NOBOs and OBOs will collectively be referred to as “**Non-Registered Holders**”.

## **ADVICE TO NON-REGISTERED HOLDERS**

**The information in this section is of significant importance to many Shareholders, as a substantial number do not hold their Shares in their own name.**

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders are “non-registered holders” because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which Shares were purchased. More particularly, a person is not a registered Shareholder in respect of Shares which are held on behalf of that person (the “**Non-Registered Holder**”) but which are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators or self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. or CDS & Co.) of which the Intermediary is a participant. In accordance with the requirements set out in NI 54-101, the Company has distributed copies, as the case may be, of, Notice of Meeting, this Circular, and the form of proxy/VIF (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with the Transfer Agent as provided above; or
- (b) more typically, be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “**proxy authorization form**”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one-page pre-printed form. Sometimes, instead of a one-page pre-printed form, the proxy authorization will consist of a regular printed proxy form accompanied by a page of instructions, which contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit a Non-Registered Holder to direct the voting of Shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the Management Nominees named in the form and insert the Non-Registered Holder’s name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.

As previously mentioned, there are two types of Non-Registered Holders: (i) those who object to their identity being made known to the issuers of securities which they own (“**Objecting Beneficial Owners**” or “**OBOs**”), and (ii) those who do not object to their identity being made known to the issuers of securities which they own (“**Non-Objecting Beneficial Owners**” or “**NOBOs**”). Subject to the provisions of NI 54-101, issuers may deliver proxy-related materials directly to NOBOs.

**The Company is sending these Meeting Materials directly to registered Shareholders and NOBOs. If you are a NOBO, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding Shares on your behalf.**

## REVOCATION OF PROXIES

A Shareholder who has submitted a proxy may revoke it at any time prior to the exercise thereof. If a person who has given a proxy attends personally at the Meeting at which such proxy is to be voted, such person may revoke the proxy and vote in person. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by the Shareholder’s attorney authorized in writing (or if the Shareholder is a corporation, under its seal or by an officer or attorney thereof duly authorized), deposited at Computershare Investor Services Inc., 8<sup>th</sup> Floor, 100

University Avenue, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, not later than forty-eight (48) hours (excluding Saturdays, Sundays and holidays in British Columbia) before the Meeting or any adjournment thereof, at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof or with the Chair of the Meeting on the day of the Meeting or any adjournment thereof, and upon either of such deposits, the proxy is revoked.

**The Company may refuse to recognize any instrument of proxy deposited in writing or by the internet received later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in British Columbia) prior to the Meeting or any adjournment thereof.**

#### NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada, and securities laws of the provinces of Canada. The proxy solicitation rules under the *United States Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgement by a United States court.

### SECTION 3 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

---

#### RECORD DATE

The board of directors of the Company (the “**Board**”) has fixed Thursday, August 3, 2023, as the record date (the “**Record Date**”) for determination of persons entitled to receive Notice of Meeting. The Company will prepare or cause to be prepared a list of persons recorded as Shareholders as of the close of business on the Record Date, each of whom shall be entitled to vote the Shares shown opposite his/her/its name on the list at the Meeting or any adjournment thereof, except to the extent that: (a) any such Shareholder has transferred ownership of any of their Shares subsequent to the Record Date; and (b) the transferee produces properly endorsed Share certificates evidencing the transfer or otherwise establishes that the transferee owns the transferred Shares and demands, not later than ten (10) days before the Meeting, that they be included on the list of Shareholders entitled to vote at the Meeting, in which case the transferee, instead of the transferor, will be entitled to vote the transferred Shares at the Meeting or any adjournment thereof.

In addition, persons who are Non-Registered Holders as at the Record Date will be entitled to exercise their voting rights in accordance with the procedures established under NI 54-101. See “*Section 2 – Proxies and Voting Rights – Advice to Non-Registered Holders*.”

#### VOTING RIGHTS

The Company is authorized to issue an unlimited number of (i) Common shares without par value (“**Shares**”); and (ii) Preferred shares, issuable in series, without par value (“**Preferred Shares**”). As at the Record Date, there were 78,154,280 Shares issued and outstanding and no Preferred Shares were issued and outstanding. Each Shareholder is entitled to one vote for each Share registered in his/her/its name. No

## **PRINCIPAL HOLDERS OF SHARES**

To the knowledge of the directors and executive officers of the Company, no holder beneficially owns, or controls or directs, directly or indirectly, voting securities of the Company carrying 10% or more of the voting rights attached to any class of outstanding voting securities of the Company as at the Record Date.

## **QUORUM**

Pursuant to the Articles of the Company, the quorum for the transaction of business at any meeting of Shareholders shall not be less than two Shareholders present in person or by proxy, each entitled to vote at the meeting or a duly appointed proxy or proxyholder for an absent Shareholder so entitled, holding or representing 5% of the issued and outstanding Shares enjoying voting rights at such meeting.

---

## **SECTION 4 – PARTICULARS OF MATTERS TO BE ACTED UPON**

---

**MANAGEMENT OF THE COMPANY KNOWS OF NO OTHER MATTERS TO COME BEFORE THE MEETING OTHER THAN THOSE REFERRED TO IN THE NOTICE OF MEETING. HOWEVER, IF ANY OTHER MATTERS THAT ARE NOT KNOWN TO MANAGEMENT SHOULD PROPERLY COME BEFORE THE MEETING, THE ACCOMPANYING FORM OF PROXY CONFERS DISCRETIONARY AUTHORITY UPON THE PERSONS NAMED THEREIN TO VOTE ON SUCH MATTERS IN ACCORDANCE WITH THEIR BEST JUDGMENT.**

Additional detail regarding each of the matters to be acted upon at the Meeting is set forth below.

### **1. FINANCIAL STATEMENTS**

The audited financial statements of the Company, together with the notes thereto and the auditor's reports thereon, for the financial years ended April 30, 2023, and April 30, 2022 (together, the "**Financial Statements**"), will be presented to Shareholders at the Meeting.

Copies of these documents will be available at the Meeting and may also be obtained by a Shareholder upon request without charge from the Company, Suite 1100, 1199 West Hastings Street, Vancouver, British Columbia, V6E 3T5. These documents are also available on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca) under the Company's profile.

Management will review the Company's financial results at the Meeting and Shareholders and proxyholders will be given an opportunity to discuss these results with management. **Shareholder approval is not required and no formal action will be taken at the Meeting to approve the Financial Statements.**

### **2. FIXING THE NUMBER OF DIRECTORS**

The Company's constating documents stipulate there shall be not less than three (3) directors. The Board is currently composed of five (5) directors and five (5) directors are proposed for the ensuing year. At the Meeting, Shareholders will be asked to consider and, if deemed advisable, to approve an ordinary resolution, the text of which is as follows:

**"BE IT RESOLVED** as an ordinary resolution of Shareholders that the number of directors to be elected at the Meeting, to hold office until the close of the next annual meeting of Shareholders or until their successors are duly elected or appointed pursuant to the constating documents of the Company, unless their offices are earlier vacated in accordance with the provisions of the *Business Corporations Act* (Ontario) or the Company's constating documents, be and is hereby fixed at five (5)."

In order for the foregoing resolution to be passed, it must be approved by a simple majority of the votes cast by Shareholders in person or by proxy at the Meeting.

**Management believes the passing of the above resolution is in the best interests of the Company and recommends Shareholders vote in favour of the ordinary resolutions fixing the number of directors to be elected at the Meeting as set out above. Unless directed to the contrary, it is the intention of the Management Proxyholders named in the enclosed instrument of proxy to vote proxies FOR fixing the number of directors of the Company at five (5).**

### **3. ELECTION OF DIRECTORS**

The directors of the Company are elected at each annual meeting and hold office until the next annual meeting, or until their successors are duly elected or appointed in accordance with the Company's Articles or until such director's earlier death, resignation or removal.

The directors of the Company are elected at each annual meeting of Shareholders and hold office until the close of the next annual meeting, or until their successors are duly elected or appointed, unless their office is earlier vacated in accordance with the Articles of the Company or *Business Corporations Act* (Ontario).

#### *Advance Notice Provisions*

The Company has adopted advance notice provisions (the "**Advance Notice Provisions**") in its constating documents. The Advance Notice Provisions include, among other things, a provision that requires advance notice be given to the Company in circumstances where nomination of persons for election to the Board are made by Shareholders of the Company. The Advance Notice Provisions set a deadline by which Shareholders must submit nominations (a "**Notice**") for the election of directors to the Company prior to any annual or special meeting of shareholders. The Advance Notice Provisions also set forth the information that a Shareholder must include in the Notice to the Company and establish the form in which the Shareholder must submit the Notice for that notice to be in proper written form.

In the case of an annual meeting of Shareholders (and including an annual and/or special meeting), notice to the Secretary of the Company must be given not less than 30 days (or 40 days where notice and access is used) prior to the date of the annual meeting; provided, however, that if the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be given not later than the close of business on the 10th day following such public announcement. In the case of a special meeting of Shareholders that is not also an annual meeting called for the purpose of electing directors (whether or not called for other purposes), notice to the Secretary of the Company must be given not later than the close of business on the 15<sup>th</sup> day following the day on which the first public announcement of the date of the special meeting was made. The Advance Notice Provisions are available for viewing in the Articles of the Company available on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca) under the Company's profile.

As at the date of this Circular, the Company has not received notice of a nomination in compliance with the Advance Notice Provisions and, as such, management's nominees for election as directors set forth below shall be the only nominees eligible to stand for election at the Meeting.

## **5. APPROVAL OF STOCK OPTION PLAN**

The Company has established a stock option plan (dated for reference May 31, 2022) (the “**Stock Option Plan**”) under which directors, officers, employees and consultants of the Company may be granted options to acquire Shares. The policies of the TSX Venture Exchange (the “**Exchange**”) respecting the granting of stock options require that all companies listed on the Exchange implement a stock option plan and that any “rolling” stock option plan must receive Shareholder approval on an annual basis and subsequent acceptance by the Exchange.

The Stock Option Plan is a “rolling” stock option plan, whereby the aggregate number of Shares reserved for issuance shall not exceed ten (10%) percent of the total number of issued Shares (calculated on a non-diluted basis) at the time an option is granted. The Stock Option Plan was last approved by Shareholders at the Company’s Annual General and Special Meeting of Shareholders held July 12, 2022.

For a summary of the material terms of the Stock Option Plan, see “*Section 5 – Statement of Executive Compensation – Director and Named Executive Officer Compensation – Stock Option Plans and Other Incentive Plans.*” For additional details, see “*Section 8 – Other Information - Securities Authorized for Issuance Under Equity Compensation Plans.*” Any summary is qualified in its entirety by the full text of the Stock Option Plan, a copy of which will be available at the Meeting and which is also available on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca) under the Company’s profile.

## ***Shareholder Approval***

At the Meeting, Shareholders will be asked to consider and, if deemed advisable, to pass, with or without variation, an ordinary resolution approving the Stock Option Plan. The text of the ordinary resolution – the Stock Option Plan Resolution - which management intends to place before the Meeting is as follows:

“**BE IT RESOLVED**, as an ordinary resolution of Shareholders, that:

1. the stock option plan, as was amended on and is dated for reference May 31, 2022, of the Company be and is hereby ratified, confirmed and approved as the stock option plan of the Company until such time as further ratification is required pursuant to the rules of the TSX Venture Exchange (the “**Exchange**”) or other applicable regulatory requirements;
2. the board of directors of the Company be and is hereby authorized in its absolute discretion to administer the stock option plan, as was amended on and is dated for reference May 31, 2022, in accordance with its terms and conditions and to further amend or modify the stock option plan to ensure compliance with the policies of the Exchange; and
3. any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver, under the corporate seal of the Company or otherwise, all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to the foregoing resolutions, including, without limitation, making any changes to the stock option plan required by the Exchange or applicable securities regulatory authorities and to complete all transactions in connection with the administration of the stock option plan.”

In order for the foregoing Stock Option Plan Resolution to be passed, it must be approved by a simple majority of the votes cast by Shareholders in person or by proxy at the Meeting. If the Stock Option Plan is not approved at the Meeting, the Company will not be permitted to grant further stock options until Shareholder approval is obtained. However, all stock options previously granted will continue unaffected.

**Management of the Company has reviewed the Stock Option Plan Resolution, concluded that it is fair and reasonable to the Shareholders and in the best interest of the Company, and recommends Shareholders vote in favour of ratifying, confirming and approving the Stock Option Plan. There were no compensation securities exercised by a director or NEO of the Company during the financial years ended April 30, 2023, or April 30, 2022.

### ***Stock Option Plans and Other Incentive Plans***

The Company's stock option plan (the "**Stock Option Plan**") was the only equity compensation plan the Company had in place during the financial year ended April 30, 2023, and remains the only equity compensation plan the Company as at the date hereof. The Stock Option Plan was established to provide the Company with a share-related mechanism to advance the interests of the Company through the motivation, attraction and retention of directors, officers, employees, consultants of the Company (the "**Eligible Persons**") and to secure for the Company and the shareholders of the Company the benefits inherent in the ownership of Shares by the Eligible Persons through the granting of non-transferable stock options under the Stock Option Plan.

The Stock Option Plan is a "rolling" stock option plan, whereby the aggregate number of Shares reserved for issuance, in combination with the aggregate number of Shares which may be issuable under any other share-based compensation plan, shall not exceed ten (10%) percent of the total number of issued Shares (calculated on a non-diluted basis) of the Company at the time an option is granted.

The material terms of the Stock Option Plan, dated for reference May 31, 2022 – the date the plan was last amended – are as follows:

1. The maximum aggregate number of Shares that may be reserved for issuance pursuant to the Stock Option Plan to all Eligible Persons (as such term is defined in the Stock Option Plan), in combination with the aggregate number of Shares which may be issuable under any other share-based compensation plan, shall not exceed 10% of the issued and outstanding Shares of the Company at the time of grant, provided that if any stock options granted under the Stock Option Plan expire, are cancelled or terminated without being exercised in full, the Shares subject to those stock options shall again be available to be granted under the Stock Option Plan.
2. The maximum aggregate number of Shares that are issuable pursuant to all share-based compensation plans, including the Stock Option Plan, granted or issued to insiders (as a group) shall not exceed 10% of the Shares issued and outstanding at any point in time unless the Company has obtained any requisite disinterested shareholder approval pursuant to the policies of the Exchange.
3. The maximum aggregate number of Shares that are issuable pursuant to all share-based compensation plans, including the Stock Option Plan, granted or issued in any 12-month period to insiders (as a group) shall not exceed 10% of the Shares issued and outstanding (on a non-diluted basis) at the time of the grant or issuance to any insider, unless the Company has obtained any requisite disinterested shareholder approval pursuant to the policies of the Exchange.

4. The maximum aggregate number of Shares that are issuable pursuant to all share-based compensation plans, including the Stock Option Plan, granted or issued in any 12-month period to any one individual shall not exceed 5% of the Shares issued and outstanding (on a non-diluted basis) at the time of the grant or issuance, unless the Company has obtained any requisite disinterested shareholder approval pursuant to the policies of the Exchange.
5. The maximum aggregate number of Shares that are issuable pursuant to all share-based compensation plans, including the Stock Option Plan, granted or issued in any 12-month period to any one Consultant shall not exceed 2% of the Shares issued and outstanding (on a non-diluted basis) at the time of the grant or issuance.
6. The maximum aggregate number of Shares that are issuable pursuant to all Options granted in any 12-month period to all persons providing investor relations services in aggregate shall not exceed 2% of the Shares issued and outstanding (on a non-diluted basis) at the time of the grant (on a non-diluted basis) to a person providing investor relations services.
7. The approval of disinterested shareholders of the Company will be required for any extension of the term of a previously granted Option to an optionee, if at the time of the proposed amendment, the optionee is an insider of the Company, and for any reduction in the exercise price of a previously granted stock option to an insider of the Company.
8. The Board shall determine to whom stock options shall be granted, the terms and provisions of the respective stock option agreements, the time or times at which such stock options shall be granted, and the number of shares to be subject to each stock option. The stock options shall vest and may be exercised (in each case to the nearest full share) during the option period in such manner as the Board may fix by resolution, provided that if required by any stock exchange on which the shares of the Company trade, options issued to persons providing investor relations services must vest in stages over not less than 12 months with no more than one-quarter ( $\frac{1}{4}$ ) of the stock options vesting no sooner than three months after the stock options were granted, no more than one-quarter ( $\frac{1}{4}$ ) of the stock options vesting no sooner than six months after the stock options were granted, no more than one-quarter ( $\frac{1}{4}$ ) of the stock options vesting no sooner than nine months after the stock options were granted, and no more than one-quarter ( $\frac{1}{4}$ ) of the stock options vesting no sooner than 12 months after the stock options were granted.

Stock options which have vested may be exercised in whole or in part at any time and from time to time during the option period.

9. The exercise price of the stock options is determined by the Board and shall not be less than the last closing price of the Shares on the Exchange, less any allowable discounts, subject to a minimum price of \$0.10.
10. The shares to be purchased upon each exercise of any stock option shall be paid for in full at the time of such exercise.
11. The stock option period shall be a period of time (not to exceed five years from the date of grant) fixed by the Board, subject to the death of the optionee. In the event of the death of an optionee, the stock option will be exercisable but only within the period of one year following the optionee's death, unless such period is extended by the Board or a committee of the Board, and approval is obtained from the Exchange on which the shares of the Company trade and in no event after the natural expiry date of option.
12. If an optionee ceases to be an Eligible Person for any reason (other than death), the optionee may, but only within 90 days, or 30 days if the optionee provided investor relations services, following the optionee ceasing to be an Eligible Person, exercise the optionee's stock options to the extent

that the optionee was entitled to exercise it at the date of such cessation, subject to an extension of up to a maximum of one year from the date of such cessation, as approved by the Board or committee of the Board.

13. The aggregate number and kinds of shares available under the Stock Option Plan shall be appropriately adjusted in the event of a reorganization, recapitalization, stock split, stock dividend, combination of shares, merger, consolidation, rights offering or any other change in the corporate structure or shares of the Company. Any adjustment to stock options granted or issued (except in relation to a consolidation or share split) shall be subject to the prior acceptance of the Exchange.
14. The Stock Option Plan contains a provision allowing for the automatic extension to the expiry date of a stock option if such date falls within a period during which the Company prohibits an Eligible Person from exercising stock options. The expiry date of the affected stock option can be extended to no later than ten (10) business days after the expiry of the blackout period.
15. The Board may at any time amend or terminate the Stock Option Plan, but where amended, such amendment is subject to regulatory approval.
16. The stock options are non-assignable and non-transferable.

The above summary is qualified in its entirety by the full text of the Stock Option Plan, which will be available at the Meeting for review by Shareholders and is also available on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca) under the Company's profile.

#### ***Termination and Change of Control Benefits***

Other than as disclosed herein, the Company, including its subsidiaries, has not entered into any other contract, agreement, plan or arrangement that provides for payments to an NEO at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, change in control of the Company or a change in a NEOs responsibilities.

#### ***Oversight and Description of Director and NEO Compensation***

The compensation program of the Board is designed to provide competitive levels of compensation, a significant portion of which is dependent upon individual and corporate performance and contribution to increasing shareholder value. The Board recognizes the need to provide a compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive’s level of responsibility. The Company’s compensation arrangements for the NEOs may, in addition to salary, include compensation in the form of bonuses and, over a longer term, benefits arising from the grant of stock options. Given the stage of development of the Company, compensation of the NEOs to date has emphasized meaningful stock option awards to attract and retain NEOs and, to a certain extent, to conserve cash. This policy may be re-evaluated in the future to instead emphasize increased base salaries and/or cash bonuses with a reduced reliance on option awards, depending upon the future development of the Company and other factors which may be considered relevant by the Board from time to time. The compensation of the Company’s NEOs is determined by the Board, based upon the recommendations of the GC&N Committee.

The objectives and reasons for this system of compensation are generally to allow the Company to remain competitive compared to its peers in attracting experienced personnel.

The Board, on the recommendations of the GC&N Committee, establishes and reviews the Company’s overall compensation philosophy and its general compensation policies with respect to the CEO and other officers, including the corporate goals and objectives and the annual performance objectives relevant to such officers. The Board evaluates each officer’s performance in light of these goals and objectives and based on its evaluation, determines and approves the salary, bonus, options and other benefits for such officers.

The Company's NEOs and directors are not permitted to purchase financial instruments, including for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Stock option grants are designed to reward the NEOs for success on a similar basis as the shareholders of the Company, but these rewards are highly dependent upon the volatile stock market, much of which is beyond the control of the NEOs.

Neither the Board nor the GC&N Committee has proceeded to a formal evaluation of the implications of the risks associated with the Company's compensation policies and practices. Risk management is a consideration of the Board when implementing its compensation program, and the Board and the GC&N Committee does not believe that the Company's compensation program results in unnecessary or inappropriate risk-taking including risks that are likely to have a material adverse effect on the Company.

### ***Pension Disclosure***

The Company does not have any pension, retirement, defined benefit, defined contribution or deferred compensation plans that provides for payments or benefits to its directors and NEOs at, following, or in connection with retirement and none are proposed at this time.

The Company's Audit Committee Charter is attached as Schedule "B" to this Circular.

### **COMPOSITION OF AUDIT COMMITTEE**

The Company's Audit Committee is comprised of three directors, namely Cameron Bell, Alan Matthews and Craig Roberts.

NI 52-110 provides that a member of an audit committee is "independent" if the member has no direct or indirect material relationship with the Company, which could, in the view of the Board, reasonably interfere with the exercise of the member's independent judgment. All of the Company's current audit committee members, are considered "independent" within the meaning of NI 52-110.

NI 52-110 provides that an individual is "financially literate" if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements. All of the members of the Company's audit committee are financially literate as that term is defined.

- experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements or experience actively supervising individuals engaged in such activities; and
- an understanding of internal controls and procedures for financial reporting.

All of the Audit Committee members are senior-level businessmen with experience in financial matters. Each has an understanding of accounting principles used to prepare financial statements and varied experience as to general application of such accounting principles, as well as the internal controls and procedures necessary for financial reporting, garnered from working in their individual fields of endeavour.

Additionally, he held the role of Senior Geologist at Voisey's Bay and Sudbury. Mr. Bell is very familiar with managing junior listed companies, including financing and compliance with reporting requirements.

**Alan Matthews** – Alan Matthews is a Mining Engineer and a Professional Member of the Institute of Materials, Minerals and Mining and a Chartered Engineer (C.Eng.) with over 40 years' mining and exploration experience. He has for several years acted as a Member of the Audit Committee for several public companies including International Minerals Inc., Kernow Resources and Developments Ltd. and Galena International Resources Ltd.

**Craig Roberts** –Craig Roberts is a mining engineer with over 35 years of operations, consulting, and investment banking experience. ### **SECTION 7 - CORPORATE GOVERNANCE**

---

#### **GENERAL**

Pursuant to National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), the Company is required to disclose its corporate governance practices. Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the corporation.

National Policy 58-201 – *Corporate Governance Guidelines* (“**NP 58-201**”) establishes corporate governance guidelines which apply to all public companies. These guidelines are not intended to be prescriptive but to be used by issuers in developing their own corporate governance practices. The Board is committed to sound corporate governance practices and believes the Company’s corporate governance practices are appropriate and effective for the Company given its current size.

## BOARD OF DIRECTORS

The mandate of the Board is to manage or supervise management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company's affairs directly and through its committees and facilitates its exercise of independent supervision over management by its policies, including requirements that (a) periodic meetings of the Board be held to obtain an update on significant corporate activities and plans, and (b) all material transactions of the Company be subject to prior approval of the Board. The Board meets not less than four times during each year and endeavours to hold at least one meeting in each fiscal quarter. The Board also meets at any other time at the call of the CEO, or subject to the by-laws of the Company, of any director.

The Board is currently composed of five directors, four of whom are not executive officers of the Company and considered to be independent, as that term is defined in applicable securities legislation. Cameron Bell, Alan Matthews, Jean-Philippe Paiement, and Craig Roberts are considered to be independent. Michael Murphy is not considered independent by reason of his offices as CEO and President of the Company. In determining whether a director is independent, the Board considers whether the director has a direct or indirect "material relationship" with the Company. "Material relationship" is defined as a relationship which could, in the view of the Board, reasonably interfere with the exercise of a director's independent judgement.

The Board has a stewardship responsibility to supervise the management of and oversee the conduct of the business of the Company, provide leadership and direction to management, evaluate management, set policies appropriate for the business of the Company and approve corporate strategies and goals. The day-to-day management of the business and affairs of the Company is delegated by the Board to the CEO and the CFO. The Board will give direction and guidance through the CEO to management and will keep management informed of its evaluation of the senior officers in achieving and complying with goals and policies established by the Board.

The Board recommends nominees to the Shareholders for election as directors and, immediately following each annual general meeting of Shareholders, appoints an Audit Committee, a GC&N Committee and a Disclosure Committee and the chairperson of each committee. The Board establishes and periodically reviews and updates the committee mandates, duties and responsibilities of each committee, elects a chairperson of the Board, if deemed appropriate, and establishes his or her duties and responsibilities, appoints the CEO, CFO and President of the Company and establishes the duties and responsibilities of those positions and on the recommendation of the CEO, appoints the senior officers of the Company and approves the senior management structure of the Company.

## DIRECTORSHIPS IN OTHER REPORTING ISSUERS

Certain of the Company's directors are also directors of other reporting issuers (or the equivalent) in a jurisdiction or a foreign jurisdiction as follows:

<b>Name of Director</b>	<b>Other Reporting Issuer (or the equivalent)</b>
Michael Murphy	Prospector Metals Corp.
Craig Roberts	CopperCorp Resources Inc. Nevada King Gold Corp. Prospector Metals Corp.

## **ORIENTATION AND CONTINUING EDUCATION**

The Board's practice is to recruit for the Board only persons with extensive experience in the mining and mineral exploration business and in public company matters. Prospective new board members are provided a reasonably detailed level of background information, verbal and documentary, on the Company's affairs and plans prior to obtaining their consent to act as a director.

The Board provides training courses to the directors as needed, to ensure that the Board is complying with current legislative and business requirements.

## **ETHICAL BUSINESS CONDUCT**

The Board has adopted a formal written Code of Business Conduct and Ethics (the "Code") for its directors, officers and employees.

The Board promotes ethical business conduct through the nomination of Board members it considers ethical, through avoiding and minimizing conflicts of interest and by having a majority of its Board members independent of corporate matters. Where a director has a material interest in a transaction or agreement concerning the Company, the Board takes such steps as may be prudent to isolate and eliminate or reduce the potential for such a conflict of interest to interfere with the Board's exercise of independent judgment.

In accordance with applicable corporate law, any director who is in a position of conflict must refrain from voting on any resolution of the Board with respect to the conflict. The Board may also require the director to excuse himself from deliberations of the Board or may alternatively refer the matter for consideration by a committee of independent directors of the Board.

## **WHISTLEBLOWER POLICY**

The Company has adopted a Whistleblower Policy which allows its directors, officers and employees who feel that a violation of the Code has occurred, or who have concerns regarding financial statement disclosure issues, accounting, internal accounting controls or auditing matters to report such violation or concerns on a confidential and anonymous basis. Such reporting can be made to the members of the Company's Audit Committee who then investigate each matter so reported and take corrective and disciplinary action, if appropriate.

## **NOMINATION OF DIRECTORS**

The GC&N Committee is responsible for identifying individuals qualified to become new board members and for recommending to the Board the new director nominees for the next annual meeting of shareholders. The Board has not adopted a formal procedure for nominating new directors, and the powers in this respect of the GC&N Committee are limited to making recommendations to the Board.

The GC&N Committee's primary role is to: (i) develop and monitor the effectiveness of the Company's system of corporate governance; (ii) establish procedures for the identification of new nominees to the Board and lead the candidate selection process; (iii) develop and implement orientation procedures for new directors; (iv) assess the effectiveness of directors, the Board and the various committees of the Board; (v) ensure appropriate corporate governance and the proper delineation of the roles, duties and responsibilities of Management, the Board, and its committees; (vi) assist the Board in setting the objectives for the CEO of the Company and evaluate the CEO's performance; (vii) establish a remuneration and benefits plan for directors, executives and other key employees; (viii) review the adequacy and form of compensation of directors and senior management; (ix) establish a plan of succession; (x) undertake the performance evaluation of the CEO in consultation with the Chair; and (xi) make recommendations to the Board.

The GC&N Committee currently consists of three members, namely, Alan Matthews, Michael Murphy and Craig Roberts. Messrs. Matthews and Roberts are considered independent. Mr. Murphy is not considered independent as he also serves as President and CEO of the Company.

#### **COMPENSATION OF DIRECTORS AND CHIEF EXECUTIVE OFFICER**

The quantity and quality of the Board compensation, typically through the granting of stock options, is reviewed on an annual basis by the GC&N Committee. At present, the Board is satisfied that the current compensation arrangements adequately reflect the responsibilities and risks involved in being an effective director of the Company. In addition, the number of stock options to be granted is determined by the Board as a whole, on the recommendations of the GC&N Committee, which allows the independent directors to have input into compensation decisions.

The following is a summary description of the mandate and responsibilities of the GC&N Committee as it relates to NEO compensation:

- (a) to review and approve corporate goals and objectives relevant to NEO compensation, including the evaluation and performance of the CEO in light of those corporate goals and objectives, and to make recommendations to the Board with respect to NEO compensation levels (including the award of any cash bonuses or share ownership opportunities);
- (b) to consider the implementation of short and long-term incentive plans, including equity-based plans, proposed by Management, to make recommendations to the Board with respect to these plans and to annually review such plans after their implementation; and
- (c) to annually review any other benefit plans proposed by Management and to make recommendations to the Board with respect to their implementation.

In addition, the GC&N Committee is responsible for recruiting, retaining and motivating employees and ensuring conformity between compensation and other corporate objectives and reviewing and recommending for Board consideration, all compensation packages, both present and future, for the Company's management and directors (including annual retainer, meeting fees, bonuses and option grants) including any severance packages.

In exercising its mandate, the GC&N Committee sets the standards for the compensation of directors, employees and officers based on industry data and with the goal to attract, retain and motivate key persons to ensure the long-term success of the Company. Compensation generally includes the three (3) following components: base salary, annual bonus based on performance and grant of stock options. The GC&N Committee takes into account the increased competition in the market for its key personnel while also taking into account the performance and objectives set forth for the Company.

All members of the GC&N Committee have direct experience which is relevant to their responsibilities as GC&N Committee members hold or have held senior executive roles within public companies, and therefore have a good understanding of compensation programs. Each has good financial understanding which allows them to assess the costs versus benefits of compensation plans and the members' combined experience in the resource sector provides them with the understanding of the Company's success factors and risks, which is very important when determining metrics for measuring success.

The GC&N Committee is accountable to the Board and reports to the Board at its next regular meeting all deliberations and actions it has taken since any previous report. Minutes of GC&N Committee meetings will be available for review by any member of the Board on request to the GC&N Committee.

The GC&N Committee makes recommendations to the Board with respect to the Stock Option Plan, the grant of stock options to executive officers, and general allotment of options for Management's allocation to employees, consultants and other non-executive personnel.

In considering the recommendations by the GC&N Committee, the Board may consider a number of factors, including the Company's performance, the relative time commitment that the Company's executive officers are required to devote to corporate matters, the nature of the Company's operations, the awards given in the past years and other factors it considers relevant. The current overall objective of the Company's compensation strategy is to reward Management for their efforts, while seeking to conserve cash given current market conditions. With respect to any bonuses or incentive plan grants which may be awarded to executive officers in the future, the Company has not currently set any objective criteria and will instead rely upon any recommendations and discussion at the Board level with respect to the above-noted considerations and any other matters which the Board may consider relevant on a going-forward basis, including the cash position of the Company.

### **COMMITTEES OF THE BOARD OF DIRECTORS**

The Board currently has three committees – the Audit Committee, the GC&N Committee, and the Disclosure Committee.

The members of the Audit Committee are Cameron Bell, Alan Matthews, and Craig Roberts. A description of the function of the Audit Committee can be found in this Circular under "*Section 6 - Audit Committee.*"

The members of the GC&N Committee are Alan Matthews, Michael Murphy and Craig Roberts. The purpose of the GC&N Committee is to monitor and to generally be responsible for developing the Company's governance and human resources policies and guidelines and overseeing their implementation and administration. The GC&N Committee is responsible for ensuring a compensation policy and practice that is supportive of the Company's business strategies and that appropriately links senior management performance and compensation. In addition, the GC&N Committee shall ensure the recruitment, ongoing long-term development and deployment of high calibre senior management. In particular, the GC&N Committee establishes levels of salary, bonus, benefits and incentives provided to persons acting as officers of the Company.

Following the annual meeting of Shareholders, the Board elects from its members at least two directors to serve on the GC&N Committee. Each member holds office until the close of the next annual general meeting of the Company or until a member resigns or is replaced, whichever first occurs. The Board appoints one of the directors on the GC&N Committee as the chairperson whose duties include overseeing the proper functioning of the GC&N Committee to ensure the proper discharge of its duties, to schedule meetings and to ensure timely reporting to the Board.

In addition to the Audit Committee and the GC&N Committee, the Board has established a Disclosure Committee, which is responsible for overseeing the Company's regulatory disclosure and the Company's disclosure practices. The members of the Disclosure Committee are presently Michael Murphy and Cameron Bell.

### **ASSESSMENTS**

The GC&N Committee is responsible for overseeing and evaluating the Board, the committees of the Board, and the contribution of individual directors. The GC&N Committee is obliged to prepare an annual performance evaluation of the Board, which report compares the performance of the Board with the requirements of its written mandate. The GC&N Committee is also obliged to conduct an annual performance evaluation of each director, which evaluation assesses the contribution of each director. The

performance evaluations undertaken by the GC&N Committee will be conducted in such manner as the members thereof deem appropriate.

The Board believes its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company’s corporate governance practices allow the Company to operate efficiently, with checks and balances that control and monitor Management and corporate functions without excessive administration burden.
